REGULATIONS governing the grazing of cattle on Dominion Lands within the Railway Belt in the Province of British Columbia, approved of by an Order of His Excellency the Governor-General in Council dated the 15th day of July, 1897.

Commons.

2. The Minister of the Interior may, upon the application of two-thirds in number of the residents in any tract of land not less than a township in area, cause to be proclaimed in the Canada Gazette a portion of the Crown Lands in such tract to be a common, upon which such residents may depasture their cattle subject to the provisions of these regulations; and the Minister of the Interior may from time to time alter, modify, cancel or repeal any such Proclamation.

3. The extent and situation of any such common shall be defined and proclaimed by the Minister of the Interior in the Canada Gazette and the British Columbia Gazette, but in no case shall any such common exceed twenty-five miles in area, nor shall lands within such common be reserved from homestead entry or sale or other disposition by the Minister of the Interior.

4. No sheep or swine shall be allowed to be pastured or kept on any such common, except while being driven from one district to another, and if the owner of any sheep or swine shall depasture or keep the same on such common, except as aforesaid, or shall in passing over such common permit the same to remain thereon for a longer period than twenty-four hours, he shall be liable to a penalty of not more than fifty dollars, to be recovered in a summary way before any Justice of the Peace, and in default of payment shall be imprisoned for any period not exceeding one month.

5. There shall be levied and paid upon and in respect of the cattle of every person depasturing or keeping the same upon such common, such sums as the Minister of the Interior may from time to time fix, which sums respectively shall be paid by the persons assessed before the 15th day of November in each and every year, to such officer as the Minister of the Interior shall appoint. Such sums shall not be less than ten cents or greater than twenty-five cents for each head of cattle so depastured or kept upon such common.

6. Every person pasturing or keeping cattle as aforesaid shall cause a return to be made to such officer on the first day of August in each and every year, according to the form in the schedule hereto, of all such cattle, and if any person shall fail or neglect to cause return to be made, or shall make a false return of the cattle depastured or kept by him on any such common, or shall omit to deposit the same with the said officer in manner hereby required, or shall refuse or neglect to pay the assessments hereby required, he shall be liable upon conviction to a penalty of not more than twenty-five dollars, to be recovered in a summary manner before any Justice of the Peace, and in default of payment thereof shall be imprisoned for any period not exceeding one month.

8. The Board shall consist of five members who shall retire annually, and shall be elected by the votes of persons actually *bona fide* resident in such tract, but no person shall be entitled to vote who is not a male freeholder, homesteader, or leaseholder for a term of not less than six months, nor shall any person be eligible as a candidate for the Board unless he shall have been duly qualified to vote for three months previous to the election.

9. Each voter shall have five votes, but shall not be allowed to give more than one vote to each candidate.

10. The votes of the electors shall be given in person by the voter, and the person appointed by the Minister of the Interior shall act as Returning Officer, and shall decide all questions as to qualification and disqualifications of the members elect. The first election shall take place on such day as the Minister of the Interior may appoint.

12. Whenever any member shall absent himself from five or more consecutive meetings of the Board, whether regular or adjourned meetings, he shall, upon a resolution passed by the Board to that effect, be considered to have vacated his seat therein.

13. The Board of Overseers shall fill, by appointment, all vacancies which may arise in the said Board when the same may occur, and such appointees shall hold office until the general election.

GRAND FORKS CITY BY-LAWS.

BY-LAW NO. 1.

A By-Law for regulating the proceedings of Council and for defining the duties of the officers of the Corporation of the City of Grand Forks.

WHEREAS it is expedient to pass a by-law to regulate the proceedings of the Municipal Council, and in Committee of the Municipal Council of the Corporation of the City of Grand Forks, and to define the duties of the several officers of the said Corporation, and the manner in which said duties shall be fulfilled;

Therefore the Municipal Council of the Corporation of the City of Grand Forks, in Council assembled, enacts as follows:—

MEETINGS AND ADJOURNMENTS OF COUNCIL.

1. The said Council shall meet every Friday in the year, at the hour of 1:30 p.m., unless otherwise ordered by special motion, or unless such day shall be a public or civic holiday according to the law, when the Council shall meet at the same hour the next following day which is not a public or civic holiday.

2. The Mayor may at any time summon a special meeting of the Council, and it shall be his duty to summon a special meeting whenever requested in writing so to do by a majority of the members of the Council.

3. Unless there shall be a quorum present in half an hour after the time appointed for the meeting of the Council, the Council shall then stand absolutely adjourned until the next day of meeting, unless a special meeting be duly called in the meantime; and the Clerk shall take down the names of the members present at the expiration of such half hour.

4. In case of the absence or death of the Mayor, or head of the Council, a special meeting may be summoned at any time by the Clerk upon a special requisition to him signed by a majority of the members of the Council.

ORDER OF PROCEEDINGS IN COUNCIL.

5. As soon after the hour of meeting as there shall be a quorum present, the Mayor shall take the chair and the members, uncovered, shall be called to order.

6. In case the Mayor shall not be in attendance within thirty minutes after the hour appointed, the Clerk shall call the meeting to order until a chairman shall be chosen, who shall preside until the arrival of the Mayor.

7. In case of the death or absence of the Mayor, the Council may, from amongst themselves, appoint a presiding officer, who, during such absence, shall have all the powers of Mayor and preside at all meetings of the Council.

8. Immediately after the Mayor or other presiding officer shall have taken his seat, the minutes of the preceding meeting shall be read by the Clerk, in order that any mistakes therein may be corrected by the Council.

9. The Mayor or other presiding officer shall preserve order and decorum and decide questions of order, subject to an appeal to the Council by any member.

10. When the Mayor or other presiding officer is called on to decide a point of order or practice, he shall do so without unnecessary comment, and shall state the rule or authority applicable to the case if required.

11. If the Mayor or other presiding officer desires to leave the chair for the purpose of taking part in the debate, or otherwise, he shall call one of the Aldermen to fill his place until he resumes the chair.

12. Every member, previous to his speaking to any question or motion, shall rise from his seat, and shall address himself to the Mayor or other presiding officer.

13. Every member who shall be present in the Council chamber when a question is put shall vote thereon, unless the Council shall excuse him, or unless he be personally interested in the question, provided such interest is resolvable into a personal pecuniary profit, or such as is peculiar to that member, and not in common with the interests of the citizens at large, and in such case he shall not vote, and if any member present persist in refusing to vote for other than the reasons hereinbefore stated, he shall be recorded as voting in the negative on the question before the Council. If a member claims to be excused from recording his vote, a motion must be formally made to that effect.

14. A member called to order from the chair shall sit down, but may afterwards be permitted to explain, and the Council, if appealed to, shall decide on the case, but without debate; if there be no appeal, the decision of the Mayor, or other presiding officer, shall be final.

15. Any member may require the question or motion in discussion to be read at any time during the debate, but not so as to interrupt a member while speaking.

16. No member shall speak more than once to the same question without leave of the Council, except in explanation of a material part of his speech which may have been misconceived, and in so doing he is not to introduce new matter; a reply is allowed to a member who has made a substantive motion to the Council, but not to any member who has moved to change an order of the day, an amendment, the previous question or an instruction to a committee, and no member, without leave of the Council, shall speak to the same question, or in reply, for longer than a quarter of an hour.

17. No persons except members and officers of the Council shall be allowed to come within the bar during the sitting of the Council, without the permission of the Mayor or other presiding officer.

18. No standing order or rule of the Council shall be suspended except by a vote of two-thirds of the members present.

First—Reading of minutes.

Second—Original communications.

Third—Petitions.

Fourth—Reports of committees.

Fifth—Consideration of reports of committees.

Sixth—Enquiries.

Seventh—Introduction of by-laws.

Eighth—Unfinished business.

Ninth—Motions.

Tenth—Consideration of the by-laws.

Eleventh—Giving notice.

21. All communications, accounts and petitions shall be considered as having been referred to the proper committees, unless otherwise ordered.

22. The business shall in all cases be taken up in the order in which it stands, unless otherwise determined on by a vote of two-thirds of the members present, and without debate thereon.

MOTION AND ORDER OF PUTTING QUESTIONS IN COUNCIL.

23. Notice at a previous meeting shall be given of all motions for introducing new matter, other than matters of privilege, and bringing up petitions and communications, unless the Council dispense with such notice by a vote of two-thirds of the members present, without debate.

24. All motions, except motions to adjourn or go into Committee of the Whole, shall, when required by the Mayor or his presiding officer, be in writing and seconded before being debated or put from the chair.

When a motion is seconded it shall be read, or if *vice voce*, stated by the Mayor or other presiding officer or Clerk before debate.

25. After a motion is read by the Mayor or other presiding officer or Clerk, it shall be deemed to be in possession of the Council, but may be withdrawn at any time before decision or amendment, with permission of the Council.

26. A motion for commitment, until it is decided, shall preclude all amendments of the main question.

27. A motion to adjourn shall always be in order, but no second motion to the same effect shall be made until some intermediate proceedings shall have been had.

28. When a question is under debate no motion shall be received unless to commit it, to amend it, to lay it on the table, to postpone it, to adjourn, or to move the previous question.

29. The previous question, until it is decided, shall preclude all amendments of the main question, and shall be put, without debate, in the following words:—"Shall this question be now put?" and if this motion be resolved in the affirmative, the original question is to be put forthwith without any amendments or debate.

30. All amendments shall be put in the reverse order of which they are moved, except in filling up blanks, when the longest time and largest sum shall be put first, and every amendment submitted shall be reduced to writing, when required by the Mayor, and be decided upon or withdrawn before the main question is put to vote. Only one amendment shall be allowed to an amendment, and any amendment more than one must be to the main motion.

31. In all motions for the appointment of any person to any office in the gift of the Council, the name of all candidates shall be submitted before any vote is taken, and the nominees shall be then voted upon. In the appointment of any person to any position in the gift of the Council the candidates shall be proposed and then voted for by ballot, the balloting papers having been previously prepared and initialed by the Clerk of the Council, the candidate receiving the lowest number of votes being dropped after each vote until only two remain, or until one shall have received a majority of the votes cast. When more than one person is to be elected or appointed, each member of the Council shall be entitled to vote for as many as there are positions to be filled. Any candidate receiving a majority of the ballots cast shall be elected. If more than one ballot is necessary, the candidate having the smallest number of votes on the preceding ballot shall be dropped.

32. After any question except one of indefinite postponement, any member who voted thereon in the affirmative may, at the same or the first meeting thereafter, move for a reconsideration thereof, but no discussion of the main question shall be allowed unless reconsidered, and there shall be no reconsideration unless notice of the same be given at the meeting at which the main motion is carried, and after such notice is given no action shall be taken by the Council on the main motion until such reconsideration is disposed of, and no question shall be reconsidered more than once.

33. When the question under consideration contains distinct propositions, upon the request of any member, the vote upon each proposition shall be taken separately.

34. After any question is finally put by the Mayor or other presiding officer, no member shall speak to the question, nor shall any other motion be made until after the result is declared, and the decision of the Mayor or other presiding officer as to whether the question has been finally put shall be conclusive.

Whenever it shall be moved and carried that the Council go into Committee of the Whole, the Mayor or other presiding officer shall leave the chair and shall appoint a Chairman of Committee of the Whole who shall maintain order in the Committee, who shall report the proceedings of the Committee, but the Chairman of the Committee whose report is under consideration, or a member introducing a by-law, shall not be required to take the chair.

Be it therefore enacted by the Municipal Council of the Corporation of the City of Nelson as follows:—

1. All dairymen and vendors of milk shall be licensed. Any person or persons selling or offering for sale or disposing of any milk or cream without first having obtained a licence so to do under the provisions of this by-law, and without complying with the provisions of the by-law under which such a licence may be held, shall be deemed guilty of an offence and punishable as hereinafter provided.

2. Every dairyman or person, or agent of any dairyman or person, wishing to sell milk within the boundaries of the City of Nelson shall make written application to the City Collector for a licence so to do. Such application shall be in the form in the schedule hereto, and shall contain the information following: The name and address of the applicant, the source or sources from which he obtains his supply of milk, the number of cows in his possession, the average quantity of milk disposed of, either to milk vendors, milk shops or private consumers, the kind of food supplied to cows, if of brewery grains, ensilage or oil cake, the amounts in proportion to the total food supplied, and a written agreement in the form of the second schedule hereto, signed by the farmer, farmers, milk vendors or dairyman from whom he obtains his supply, that he or they are willing that his or their farm or farms, cows, food, water supply, milk, milk vessels, pans, stables, dairy and premises used, or intended to be used, for storing or keeping milk, or in which milk is kept or sold, shall be inspected from time to time by the Health Officer of the city, or by any agent duly authorised by him so to do, the kind of food supplied to the cows and the situation and nature of water supply for the cows.

3. On the above requirements being complied with by the applicant and the payment of the licence fee hereinafter provided for, and on the Health Officer being satisfied with the inspection of the premises, cows' food, water supply, milk, milk vessels, pans, stables, dairy and premises used, or intended to be used, for storing or keeping milk, or in which milk is kept or sold, the City Collector shall grant to the applicant a licence to vend milk in the city.

4. The licensee shall comply with all the clauses of the "Health By-law" for the time being of the city, and the Health Officer may destroy any milk he may find in the possession of any licensee, or any other person or corporation, that is foul or offensive in any way, whether through smell or otherwise, or that may be adulterated or condemned as unfit by the Health Officer or his authorised agent.

5. The licensee shall have placed in a conspicuous place on every waggon or vehicle from which milk is

sold the name of the licensee and the number of the owner's licence, and on every milk can from which milk is sold the name of the farmer, dairyman or person who supplied the milk to the licensee.

6. The licensee, in the event of his obtaining any milk from any other farmer, dairyman or person than those named in his application, shall, before his doing so, inform the Health Officer, and shall produce to the Health Officer a consent form, as contained in the second schedule hereto, by such farmer, dairyman or person, that he will allow his premises, cows, water, milk, milk vessels, pans, stables, dairy or premises used, or intended to be used, for storing or keeping milk, or in which milk is kept or sold, and food supply, to be inspected by the Health Officer during such time as he may supply the licensee.

7. The licensee shall forfeit his licence and be subject to the penalties of this by-law if at any time he sells or offers for sale milk obtained from a farmer, dairyman or person who refuses to sign the consent, or having signed refuses to have his premises, cows, milk, milk vessels, pans, stables, dairy and premises used, or intended to be used, for storing or keeping milk, or in which milk is kept or sold, and food supply, inspected by the Health Officer or his agent.

8. The licence fee shall be ten dollars (\$10) per annum, payable half-yearly. If the licence shall be taken out during the currency of any half-year, it shall be five dollars (\$5), and shall expire on the succeeding 15th of January or 15th of July.

9. All milch cows and cow byres, and all dairies or other places at which milk is sold or kept for general use, and all milk, shall be subject to the inspection of the Medical Health Officer or his authorised agent, and all such places as aforesaid shall be kept and conducted so that the milk shall not contain any matter or other thing liable to reproduce disease, either by reason of adulteration, contamination with sewerage, absorption of disease germs, infection of cows, personal uncleanness, or any other recognised cause, and upon such condition being broken the licence may be revoked by the Municipal Council.

10. All owners of cows who supply milk within the City of Nelson, and all dairymen and other persons, selling or disposing of milk within the City of Nelson shall furnish to the Health Officer, whenever required to do so by the Medical Health Officer, a certificate under the hand of the Provincial Government Veterinary Inspector, certifying to the health in which the cows of any such farmer or owner of cows then are, or in the event of the said dairyman, farmer, person or agent of dairyman, farmer, or person, not owning the cows from which the milk is obtained, purchasing his supply, the state of health in which the cows of the person from whom the milk is obtained then are.

No person shall supply such skimmed-milk unless such quality of milk is asked for by the purchaser.

13. All dairymen and vendors of milk and all drivers of said waggons or vehicles having milk in their possession at the time shall furnish the Health Officer, or any person appointed by him, with such samples of milk as he or they may have from time to time and at such place as the samples may be demanded from them.

14. Every sample of milk shall have a label attached to the vessel containing it, which shall have written thereon at the time of collecting the number of the sample, date of collection and the initials of the inspector, who shall at once enter in a book, carried for that purpose for future reference, a corresponding number, with the name of the owner and driver from whom said samples were obtained; and shall deliver

a duplicate of such sample in a sealed bottle or vessel to the person from whom the samples were taken.

15. Every sample shall be examined separately, according to its number, by the Medical Health Officer, or his duly authorised agent, who shall register the percentage of butter fat opposite a corresponding number in a book kept for that purpose, the name of the owner to be subsequently inserted.

16. Any person who violates any of the provisions of this by-law shall be liable on a first conviction to a penalty not exceeding twenty dollars (\$20.00), and on any subsequent conviction not less than twenty dollars (\$20.00) and not exceeding one hundred dollars (\$100.00) upon conviction before the Police Magistrate or any two Justices of the Peace having jurisdiction in the City of Nelson, on the oath or affirmation of any credible witness, and in default of payment thereof it shall be lawful for the Police Magistrate or Justices of the Peace, convicting as aforesaid, to issue a warrant under his hand and seal, or in case the Police Magistrate, or Justice of the Peace, or any two or more of them acting together therein, then under the hand and seal of one of them, to levy the said penalty with costs, or penalty or costs only, by distress and sale of the offender's or offenders' goods and chattels, and in case of no sufficient distress to satisfy the said penalty and costs, or penalty or costs, it shall and may be lawful for the Police Magistrate or Justices of the Peace convicting as aforesaid, or any of them, to commit the offender or offenders to the common gaol or any lock-up house in the City of Nelson for any period not exceeding two months, unless the said penalty and costs, or penalty or costs, be sooner paid.
